

**Message from the
President: Bob Good**

It gives me a great deal of pleasure to invite you to join me, on April 25th 2008, in the celebration of going green. Thank you for your patience while we were transitioning our stations to offer biodiesel at three additional locations in Metro Vancouver. For our friends in the Interior we are in the process of transitioning two additional stations near Kelowna, Winfield and Rutland.

Please join me in support of one of our high blend biodiesel customers Matt Hill and his partner Stephanie Tait, co-founders of the Run for One Planet and the two lead runners of our event, to draw a greener future in British Columbia and make a world of difference.

"We Have Gone Green"

You are invited to celebrate with us:

Cleaner Burning
Fuels*

**MAKING A WORLD
OF DIFFERENCE**
ECONOMICALLY AND ENVIRONMENTALLY!

Autogas

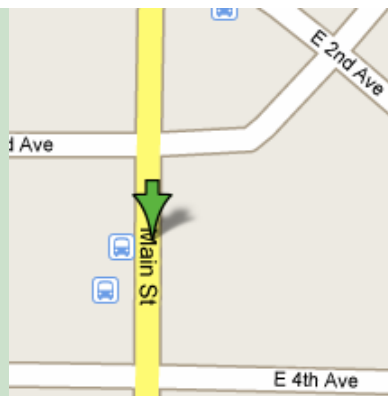

The day will start at 10:00am with an official start at the 1st biodiesel station on Main and 4th in Vancouver

We will be joined by a set of diesel fueled cars for a photo opportunity. Shortly thereafter the run starts for about 13.5 km's to the 2nd biodiesel refueling station at Lake City in Burnaby for the next photo opportunity.

B20 Biodiesel NOW AVAILABLE

Main Street, Vancouver

1940 Main St., Vancouver, B.C.
4th Avenue and Main Street

Telephone: 604-872-0800

Open: 6 am—10 pm

"Run For One Planet"

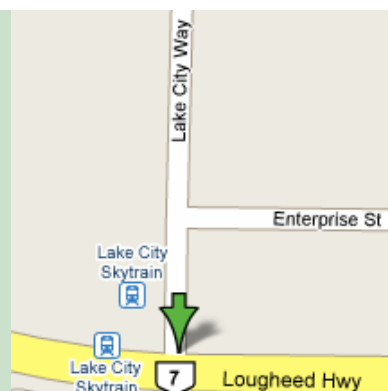

By 11:30am, the run heads for the 3rd biodiesel refueling station at Byrne Road in Burnaby with an expected arrival time of 1:00pm.

Be on-hand to greet "Run For One Planet" team, dignitaries, sponsors, and suppliers. Ask any question, and find out the advantages to driving with cleaner burning fuels!.

B20 Biodiesel NOW AVAILABLE

Lake City, Burnaby

3390 Lake City Way,
North Burnaby, B.C.

Telephone: 604-421-3108

Open: 24 hours

Day

Did you know, you can do more by paying for your clean fuel with an enviro-Visa from Vancity? Check with the South Slopes Branch—a few blocks east of Byrne Road station.

Representatives from Volkswagen will be on hand to dispel the myth that diesel cars are stinky, dirty, noisy, lack of "oomph", and diesel fuel can only be bought at truck stops. Times are changing—have you driven a diesel lately?

B5, B20, B40 and B50 Biodiesel blends NOW AVAILABLE

Byrne Road, Burnaby

5605 Byrne Road Burnaby, B.C.
SW corner at Marine Way

Telephone: 604-433-4900

Open: 24 hour card lock
